Dear Dr. Lederberg:

I was very interested and pleased to see that you are going to be at the APA meetings in Los Angeles and will be delivering the Menninger Memorial Lecture. It is high time that psychiatrists had an opportunity to hear you, and to hear about your interesting and related work.

As I will also be in Los Angeles during that period, I wondered if there might be some opportunity to get together with you there. I appreciate that your schedule may be very tight but if there is time for a drink, or talk of either light or serious nature, I would be very pleased. ✓

My wife and I expect to arrive on Friday, May 4, and will be in Los Angeles for most of the week following.

With best wishes,

Sincerely,

*Albert Rothenberg*
